Subject: Re: 2007 MY Toyota Tacoma FMVSS 124 Compliance IR.

Chris,

I saw the letter attached to your email and I think the second page of the original letter is missing in the PDF file. The second page and third page in the PDF file looks same, the fourth and fifth page is also the same. ????????

Thanks,

Mitch

件名: 2007 MY Toyota Tacoma FMVSS 124 Compliance IR

Today TMA received a fax from NHTSA of an IR letter requesting information about FMVSS 124 compliance of the 2007 MY Toyota Tacoma. Attached is a copy of the letter. NHTSA has purchased a vehicle and will begin testing in the next few weeks. Apparently NHTSA ODI has received complaints about the accelerator control system on the Tacoma, and instead of immediately opening an investigation, decided to do some testing first. Therefore, I have copied CQE on this email. The letter requests a population breakdown, copies of certification reports, and a completed Form 12. Our response is due October 23.
